

Butler Daycare

P.P. Day Registration

Thursday & Friday November 14 & 15, 2024 are PED days at Butler. The cost for a P.P. Days, for any child is \$16.20 for the day. You can sign your child up for one day or for all both days. Hopefully there will be nice weather so that we can go outside and play games, maybe go for a walk. Additional fees may be added to cover additional cost of activities. Advance registrations for P.P. Days are required. **We need 15 children minimum registered, no later than Monday, November 4, 2024. There will be no registration accepted after this date. If we do not have the required minimum registrations, the daycare will be closed.** Please fill out the form below and send back to the Daycare. A Daycare contract needs be filled out. (A contract can be sent home with your child upon request.) Because **all children attending daycare need to have a signed contract.** Once your child is registered and signed up to attend **that day** you will be charged **\$16.20** Which is to be paid in advance unless your child already attends daycare on a regular basis. Then it will be added to your weekly bill. You are charged for the day unless cancellation is made in writing and given to the daycare 5 days in advance of the P.P. Day.

Even though your child maybe a regular daycare attendant. This form still needs to be filled out and sent back to Daycare. So that they are registered to attend these specific P.P. days. You can also send an email with the required information to:

davittm@edu.etsb.qc.ca

Thank you.
