

# **Butler Daycare**

**Well parents it is that time again. Cooler weather, leaves changing and back to school and a regular routine. With school starting, the daycare will also be available after school starting on the first day back Thursday.**

**If you need daycare on the first day of school. I would appreciate a notice as soon as possible.**

**There has been a slight increase in the cost of daycare. It is as follows:**

**Regular Rate: Which is \$9.70 per day (1-5 days per week) that is charged. No matter if your child is present or absent.**

**Sporadic Rate: Which is \$9.75 per day. The daycare is available after school if needed. You must request it by phone or message from the school secretary Ms. Mosher. Preferably 24 hours in advance.**

**So please email me if you're in need of daycare the first day or anytime to register your child for the daycare service. Please do this even if you had told me last year that they would be back or if your child is new to daycare.**

**Thank you and enjoy the rest of your summer.**
